## A note from Mrs Brodie

This learning grid has a range of tasks for you to complete throughout the week. I will be available on Teams from 10:00am - 12:00pm each day to answer any questions that you may have. You can also help one another using the Learning Chat Help channel. We will have a 'Friday Feedback' session from 10:00am on Friday. This is when answers will be posted and you can assess and share your learning. At 11:00am we will have a Live Chat in Teams where we can all catch up and share what we've been doing. Don't worry if you haven't completed everything. Just do your best and then join us to chat on Friday. Hearing your voices is the

best part of the week!
