**MRS T'S 'LEARNING FROM HOME' GRID**

*Week Beginning Monday 5th May 2020*

### What do I do?

You work your way through the grid, completing tasks throughout the week. You do not need to send completed task to me as we will discuss during Friday Feedback session.

I will be available on Teams from 10:00am - 12:00pm each day to answer any questions that you may have. You can also help one another using the Learning Chat Help channel.

Throughout the week I will also post optional tasks either on Teams or Twitter that can be completed too.

We will have a 'Friday Feedback' session from 9.30am on a Friday. This is when answers will be posted and you can assess and share your learning. At 10.30am we will have a Live Chat in Teams where we can all catch up and share what we've been doing.

Don't worry if you haven't completed everything, just be prepared to join in!
