

P3 Home Learning - Week 5 - w.c.19.05.20

<p>Spelling this week Spelling words this week are 'ear' words: ear, fear, dear, hear, year, gears, spear, clear, beard, earring, appear, nearer. Remember to practice writing these over the week in different ways using the spelling sheet in your pack. Take part in the spelling challenge on Sumdog!</p>	<p>Literacy/HWB Keep a daily diary, here are some questions to help you write today's entry: What are you doing each day? With who? How do you feel today? Why is that? Are you looking forward to or worried about anything? What are you missing about school? What are the first things you want to do when you get back to school?</p>	<p>Literacy I would like you to write a procedure piece of writing, like the 'How to make shortbread' that we wrote in school. Can you write a procedure for a recipe/activity that you have enjoyed doing at home? Remember that you need a: Title, Goal (To make...), Materials (List) and clear steps using sentence openers (1. First, ...).</p>	<p>Bonjour Primary 3.</p> <p>I hope you all enjoyed your long weekend.</p> <p>Here is the learning grid for week 5. Please do as much as you can of the grid to support your home learning while away from school. Other activities are included in the pack sent home. Please also check @MrsLoveP3 on Twitter for more hints and ideas and I will post extra activities on the school blog, including daily maths work.</p> <p>I have emailed all parents of P3, if you have not received an email from me, my email address is: angela.love@westlothian.org.uk</p> <p>Feel free to contact me if you have any issues or questions and I would love to see what you have been up to. I look forward to seeing all your pictures!</p> <p>Miss you all!</p> <p>Mrs Love</p>
<p>Reading Mrs Love has set you a challenge on the Epic app – Download app then use code rnc0467 to join the class, See the sheet in your pack for details to access. I have been watching what you have been reading on Epic. Well done to those who have been using it and completing the books/quizzes. We have read over 600 books now as a class, which is incredible!</p>	<p>Health and Wellbeing – PE Relay Races – Following on from last week, I would like you to create your own relay race for your family! Time each other on a stopwatch to see how fast you are. Here are examples of things you might choose to do but you can decide! Running, jogging, jumping, hopping, skipping, galloping, running backwards etc. Use toys/props from your garden if you like.</p>	<p>Science What do animals need to survive? Go to: https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/zx38wmn Watch the video and complete the quiz. Then watch: https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/z96vb9q Create a poster with what you have learnt about animals, what they eat, need to survive and how they get it.</p>	
<p>Topic – Flight I have assigned a new book on EPIC for you to look at, for our topic of Flight. It is called 'How Do Gliders Work?' I would like you to take the quiz then create a poster about hand gliders and how they work, using the information you have gained from the book.</p>	<p>Topic/Art – Flight – Leonardo Da Vinci was a very famous artist who created 'The Mona Lisa' and 'The Last Supper', but he was also an inventor ahead of his time. Go to https://www.bbc.co.uk/newsround/48105405 and read about his creations. Then watch https://www.youtube.com/watch?v=pxBm7eg37MQ and then create your own flight device!</p>	<p>HWB/Science – Have any of your baby teeth fallen out? Watch the clip below: https://www.bbc.co.uk/bitesize/clips/zs9rkqt then write a table of food and drink that you think would be 'good' and 'bad' for your teeth. Then do the penny in cola experiment! Remember to write down what you think will happen to the penny beforehand and results afterwards. Is cola good or bad for your body/teeth?</p>
