

Clue-Dough Cake

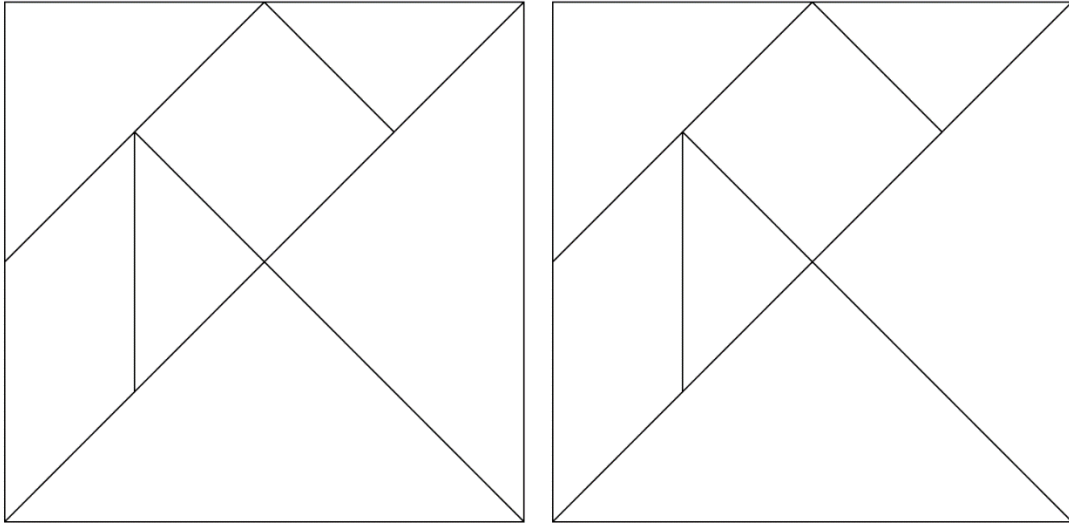

Q1. Here is a tangram.

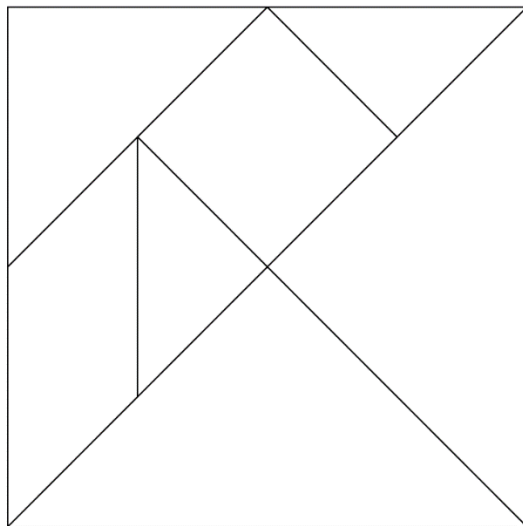

(a) What shapes can you see?

What way can you sort your shapes?

- (b) Can you see two different types of trapezium?
Shade them in.

- (c) Can you see an irregular hexagon?
Shade it in.

Q2. Cut out your cake so it looks like the tangram.

Can you make any of the following shapes?

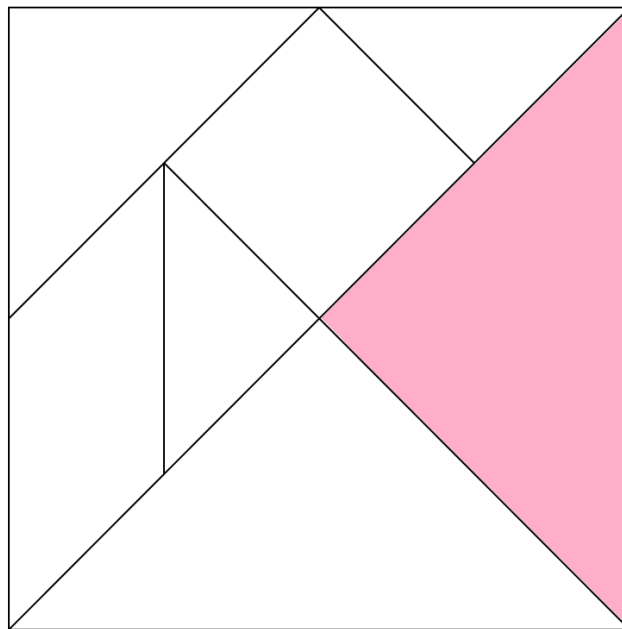

A boat

A cat

A house

Q3. What other shapes can you make?

Q4. What fraction of the whole shape is shaded here?

Shade in more of the diagram so 75% is shaded.
