

Livingston Village Primary School - Window into Learning

Class: P4

Term: 4

Literacy

- **Reading**
Reading will continue to take place in class as part of a short novel study, focusing on higher order questioning skills. Additional reading may be sent home if additional practice is required.
- **Spelling/Grammar**
Homophones; consolidation of learned patterns; high frequency words
- **Writing**
Narrative – linked to Drama project
Explanation (to explain why or how something occurs)
- **French**
Days of the week; months of the year.

Numeracy & Mathematics

- **Fractions decimal fractions and percentages**
Find fractions of an amount; explore equivalent fractions; compare and order fractions; add/subtract fractions
- **Time**
Tell the time to 5 minutes and then to the minute; explore am/pm and the 24-hour clock; find and calculate durations.
- **Money**
Count money in pence & pounds; covert between pounds and pence; add/subtract money; calculate change.
- **Number Talks**
We will continue to consolidate the four operations (+ - x ÷) throughout the term.

Health & Wellbeing

- **Mental, Social, Emotional & Physical Wellbeing**
Continue following the Resilience Programme as part of school assemblies; internet safety
- **Planning for Choices & Change**
Sharing successes and target setting on Pupil Profiles in preparation for P5
- **Relationships, Sexual Health & Parenthood**
Body parts; gender; how babies are made and grow
- **PE (Mon/Thurs)**
Basketball/Tennis & Athletics
Fitness Fortnight (June)
