

Planning and Writing a Description (please feel free to draw in your jotter or on paper if you cannot print)

Draw yourself (with lots of detail)	Draw some of your favourite things (food, sports, colours, books...)
	Draw your family and friends here (or stick pictures in)

**Here are some describing words; kind, happy, tall, short, fun, friendly.  
Do any of them describe you?**

Can you think of any other words that describe you? Ask an adult to write them here:

---

**Can you write one or more sentences to describe yourself?**

*(If you find it easier, why not ask an adult to write part of the sentence(s) and leave gaps for you to fill some words in)*

**Here is an example:**

I am a happy person with brown hair and brown eyes. I like going for walks with my dog. I have a big brother.

**Try to think about our P1 writing targets as you are writing- *capital letters and full stops, finger spaces, writing neatly on the line and sounding out words as independently as possible using the sounds we know.***

You can write your sentence in your jotter or on paper. Good luck!
