

Summer Challenge

How many of these things can you do before you come back to school after the summer holidays?

<p>Read a book to Mum or Dad. Ask them questions to make sure they were listening!</p>	<p>Complete a jigsaw puzzle and take a picture of the completed picture.</p>	<p>Collect a variety of interesting shaped/coloured stones. Count them in 2s,4s, 5s and 10s. Put them into groups and explain your groups to Mum or Dad.</p>
<p>Go for a walk around a supermarket. Find a product for every letter of the alphabet. Were there any letters you couldn't find?</p>	<p>Write the weekly shopping list. Check with your family to find out what you will need to put on the list.</p>	<p>Learn how to do a piece of housework and do that job well for a whole week.</p>
<p>Read an article in a newspaper once a week.</p>	<p>Make a list of the funniest 5 jokes you have read or been told. You can share them with your new class after the holidays.</p>	<p>Learn how to do a magic trick.</p>
<p>Check the receipt after a shopping trip. What was the most expensive thing you bought? What was the cheapest? What was the difference in price between these two items?</p>	<p>Play a board game with your family. No cheating!!</p>	<p>Make a map of the local area where you play, mark on it all your favourite places.</p>
<p>Help one of your neighbours or a family friend with something.</p>	<p>Go on a vowel hunt. Find as many oo, igh, ee, ow and ay patterns on the streets signs in your neighbourhood.</p>	<p>Learn how to say please and thank you in 4 different languages.</p>
