

Primary 5 Learning Letter: Term 2

Dear Parent/Carer,

November 2015

Welcome to Term 2 in Primary 5. All of the children have settled well into P5 and we are looking forward to a busy and fun term 2. The highlights of last term included our Rainforest context, a trip to Edinburgh Zoo and sharing our learning with parents through our Rainforest open afternoon. All pupils have also now joined a Junior Leadership Team and look forward to making positive changes within our school this year.

Miss Sherlow
P5 Teacher.

English & Literacy

This term, we will be continuing to develop our knowledge of Vocabulary, Connectives, Openers and Punctuation (VCOP), handwriting and spelling. The children will be continuing to use up-leveiling techniques to improve the standard of their writing. This process also involves self and peer assessment.

Through the IDL context of Charlie and the Chocolate Factory, our writing will focus on a variety of genres including description of a character, newspaper reports, writing questionnaires and looking at different forms of advertisements.

Our reading in term 2 will continue to focus on Higher Order Thinking Skills, identifying the key features of different genres and making connections to other areas of the curriculum. Reading homework will be noted in the children's reading record and will be due in on Wednesdays.

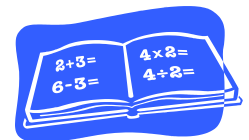

Maths & Numeracy

This term, our grouped maths work will focus on multiplication and division or addition and subtraction, rounding and mental agility.

In our class maths this term the focus will be on measure, looking specifically at length, weight and capacity.

You can support your child's maths development at home by regular times tables revision and links to maths in real life contexts. Sumdog is also a fantastic resource to develop children's mental agility and quick recall of maths facts. **Come along to our pop in session on 24th November at 2.40pm and the children will teach you more about Sumdog, Purple Mash and other useful online resources.**

Interdisciplinary Learning: Charlie and the Chocolate Factory

This term our context for learning is Charlie and the Chocolate Factory. We will be exploring this through the curriculum areas of literacy, technologies and health and wellbeing. The key questions we will look at are:

1. Who is Roald Dahl and what is special about his style of writing?
2. How does the media influence us?
3. How has the role of the media changed over time?
4. What process do companies carry out when designing and creating a new confectionary product?

Additional Information

P.E. will be on Mondays and Wednesdays. Please ensure your child brings the correct clothing to change into on P.E. days. This includes clothing suitable for taking part in P.E outdoors (i.e. jogging bottoms and trainers).

Roald Dahl Personal Project

Primary 5 have been given a research project to complete at home this term. This will develop their knowledge and understanding of the life and works of Roald Dahl. The children created their own 5 personal questions that they wanted to find out about Mr Dahl and are to present their completed projects on 2.12.15.

Homework

Spelling and maths homework will be given every Monday and should be completed and handed in on Friday. Reading will be given on Wednesday will be due the following Wednesday.
