

# Full Value Contract

In Primary 7 it is our aim to become **responsible** pupils. We hope to set a good example to the rest of the school and to be **quality** pupils who the younger pupils look up to. We will aim to be polite and well mannered to all members of our school community and take our **rights** seriously, in addition to **respecting** the rights of others.

By following our class Full Value Contract we aim to work co-operatively to make our classroom a fun and productive place for all.

## Our Class will respect our Rights by:

- Being inclusive and enthusiastic
- Being respectful to everyone and everything in our school
- Treat people how you would like to be treated
- Make eye contact with the person speaking
- Be a hard worker and have a Growth Mind-set
- Having the chance to give our opinions and have them listened to
- Using our school values to keep a high standard of behaviour

## Mrs Ross will respect our rights by:

- Letting us make choices about our learning. **Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures and the environment. (Article 29)**
- Making learning fun. **Every child has the right to an education. Discipline in schools must respect children's human dignity. (Article 28)**
- Making sure we are safe. **Governments must do all they can to ensure that children are protected from all forms of violence, abuse, neglect and mistreatment by their parents or anyone else who looks after them. (Article 19)**
- Helping us when we need it. **The best interests of the child must be a top priority in all actions concerning the children. (Article 3)**
- Listening to what we have to say. **Every child has the right to say what they think in all matters affecting them, and to have their views taken seriously. (Article 12)**

By signing this Full Value contract I agree to keep the rules we have agreed on. By following these rules I will become a responsible P7 Pupil. Our Full Value Contract will help us to become **Responsible Citizens, Confident Individuals, Successful Learners** and **Effective Contributors**.
