iAchieve in P5

At Mid Calder we recognise that profiling it creating a holistic overview of the child as a learner through reflection and dialogue. This is central to practice in recognising achievement, profiling and reporting.

What is *profiling*?

Profiling means that learners will be engaged in regular, on-going discussions with staff about their progress. This should be a continuous process for all learners from 3 to 18.

iAchieve

iAchieve is our new approach to achievement which is being used in all our cluster schools. Each child now has a copy of their iAchieve level (you can download these here: https://blogs.glowscotland.org.uk/wl/mcps/files/2016/09/iAchieve-Level-4.pdf

This is used to track their achievements inside and outside of school. When they have achieved three of the tasks in each box they will receive a certificate in class or at a Friday Assembly and move on to the next area within their level, for example if they complete Brilliant Bronze for Responsible Citizen they will move on to Super Silver.

If the achievement has been completed at home the pupil can fill out an iAchieve sheet which are available from their class teacher or Primary 4 to 5 have the option of using their private iAchieve blog: https://blogs.glowscotland.org.uk/wl/mcpsiachieve2010/
