

Mid Calder Nursery Newsletter

Dear Parent/Carer,

May 2017

The final term is always an exciting but busy term for our school and nursery. Our preschool children have already started their transition programme, and parents/ carers received a separate letter detailing information about these events. As you can see steady progress is being made with our new Nursery building and we are keeping everything crossed that we will start the new school session in our new Nursery.

Pick Up Times

Children attending the morning session should be collected by no later than **11:10am**, in order for staff to have their lunch and set up for the afternoon session. We cannot accept responsibility for children after this time.

Vision and Values

Our vision for our Nursery is:
Playing to Learn, Learning to Play.

After consulting with parents, children and staff, we have decided that the new nursery values are:

Respectful
Successful
Friendly

The children were also involved in designing a new logo for our Nursery. Well done to Hannah Laing for coming up with our new design.

This new logo will help to launch our new Nursery Uniform in August which we will be expecting all children to wear. This will be a red jumper or/ and grey polo shirt. More information will be available at Meet the Teacher.

Meet the Teacher

Meet the Teacher for existing and new Nursery parents/ carers will take place in the school hall on 14th June at 4pm. We hope to give out information about routines for our new Nursery building and arrangements for full day children.

Meet the Teacher for new P1 parents/ carers will take place in the school hall on 12th June at 6pm.

End of term trip

The children were involved in planning their end of year trip and the winning location is the Five Sisters Zoo and will cost £10 per pupil (this includes a £3 contribution from the PSA).

The trip will be on Monday 26th June and more information will be available closer to the time.

Change of Date: Nursery Sports Day

Our Sports Day will take place on:
Monday 5th June
at

9:15am – Morning class
1.15pm – Afternoon class

If it is a dry day (fingers crossed) the sports will take place outdoors and all parents/carers are invited.

If it is a wet day we will hold the sports indoors, however, due to restricted hall space, parents/carers cannot spectate. (In this case we will send out a groupcall).

The Sports will be led by Kevin from Enjoyaball with Primary 6 buddies.
