

Primary 7 Learning Letter: Term 1

September 2017

Dear Parent/Carer,

Welcome to our first term in Primary 7. All of the children are settling well into P7 and we are looking forward to a busy and fun term. This term has begun with a very good effort from all pupils as the eldest in school. They have settled back into their Responsible Roles around the school, providing support and encouragement to P1 Buddies. All pupils are soon to join a Junior Leadership Team and look forward to making positive changes within our school this year.

Mr Glancy and Mrs Redmond, P7 Teachers

English & Literacy

This term, we will be continuing to develop our knowledge of Vocabulary, Connectives, Openers and Punctuation (VCOP), handwriting and spelling. The children will be continuing to use up-levelling techniques to improve the standard of their writing. This process will also involve self and peer assessment.

Through the IDL context of The Jacobites, our writing will focus on a variety of genres including diary entries, letters and instructions.

Our reading in Term 1 will continue to focus on Higher Order Thinking Skills, selecting appropriate information and research skills. We will be focusing on developing skills for reading non-fiction texts, linking to our topic on The Jacobites.

Maths & Numeracy

This term, we will be focusing on place value and addition and subtraction. As part of our IDL context, we will look at coordinates, scale and angles. At the end of term, we will take part in West Lothian Money Week.

In mental agility, the children will be continuing to develop their mathematical strategies through Number Talks. This approach encourages the children to find the most efficient way to reach an answer to a given problem.

You can support your child's maths development at home by regular number facts revision such as times tables and links to maths in real life contexts. Sumdog is also a fantastic resource to develop children's mental agility and quick recall of maths facts.

Interdisciplinary Learning: The Jacobites

This term our context for learning is The Jacobites. We will be exploring this through the curriculum areas of Social Studies, Literacy and Maths. The key questions we will look at are:

1. When in Scotland's history were the Jacobites most significant?
2. Who were the Jacobites and what were their beliefs? What are the clans of Scotland and how do they relate to the Jacobites?
3. What were the most influential uprisings during the Jacobite cause and what were the consequences?
4. How did Scotland's landscape influence the movement of Jacobite soldiers?
5. What impact did the Jacobites have on future Scottish history?

Additional Information

P.E. will be on Wednesdays and Thursdays. Please ensure your child brings the correct clothing to change into on P.E. days. This includes clothing suitable for taking part in P.E. outdoors (i.e. jogging bottoms and trainers).

Dates to Remember

7th September – Loch Insh Parents' Meeting
2nd October – 6th October – Loch Insh Residential

Homework

All pupils have their own homework diary to ensure that they are organised and can keep track of their homework tasks on a weekly basis. Please ensure that homework is checked and signed before handing into school.
