March 19th 2019

Dear Parents and Carers,

Phew! We finished our inspection last week. I continue to be immensely proud to be your Head teacher. We are unable at present to share the HMI inspection findings and when these are published, we will notify you all in due course. What we are able to share is that it was a positive inspection and the team favourably commented on "how lovely" our school is.

Once again I would like to say a big thank you to all of our children who conducted themselves so well during the week whilst engaging with the inspectors.

I would like to convey my special thanks to all the staff here at Mid Calder for their continued enthusiasm and dedication to the children within their care. Special thanks too to all of our parents who support our school so well on a day to day basis. Your encouragement and kind thoughts really helped our staff during this time.

We are looking forward to seeing you on parents evening next week- Wednesday 27th March 2019 3.30 pm until 6.00 pm and Thursday 28th March 6.00 pm until 8.30 pm. Hopefully you have managed to make your appointments with your class teacher. During the evening you will have the chance to comment on your child`s work in their jotters. We welcome your support in this. Thank you.

P5 were on the STV news on Monday night being reported on the releasing of their brown trout. Follow the link below. They were on at 16.35. Enjoy!

We will be having our Easter celebration service at the church on Tuesday 2 April at 9.30 am which you are most welcome to attend.

The nursery children will be attending their own service next Monday morning at 9 am

The P4 children are now undertaking their SNSA assessments in the next 2 weeks which are embedded discretely in the children`s normal timetable. P 1 children will undertake their assessments after the Easter Holiday.

Thank you once again for your kind support,

Kind regards,

Hazel Thurlow
