

## Literacy

- Reading

Today we can practise the Jolly Phonics tricky words with the help of the video link below and the word lists.

The words are organised into six sets of twelve words. (We are currently working within the first three sets)

The children know which set they are working on at home (Tricky Word Keyrings), and in school, and they have been **reading and writing** these words.

Turn the sound down and see if you can read the words by yourself.

- Phonics

1. Look at the links to the Set 1 Read Write Inc videos that Mrs Kellner posted yesterday on the Blog. Have a go at the Set 1 Spelling and the Set 1 words.

OR

2. Practise your spelling words for this week. Why don't you draw a big flower with 10 petals and write a spelling word inside each one? You could even make a garden full of Spelling flowers!

## Numeracy

- Counting

Join in with the Counting in Twos song

Now it's your turn!

Starting from 0, count forwards in 2s like this:

**0, 2, 4, 6, 8, 10**

See how far you can get! If you find it easy, try starting from a bigger number like **18** or even **32**!

Starting from 10, count backwards in 2s like this:

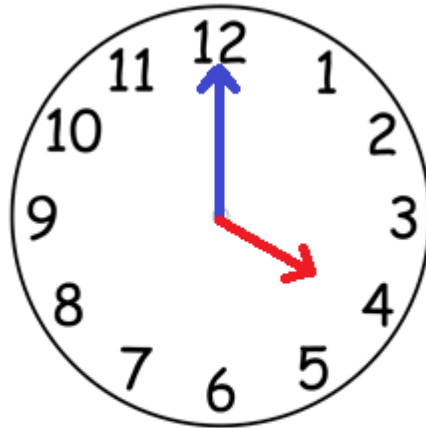

**10, 8, 6, 4, 2, 0**

See how far you can get! If you find it easy, try starting from a bigger number like **20** or even **30**!

- Time

We have been learning how to read the time on analogue clock displays.

Do you have any analogue clocks in your house?

o'clock

What time is it on this clock? Tell a grown up how you know.

Now complete the worksheet. Write on the sheet if you can print it out or write the answers in your Home Learning Jotter.

## Art

SPRING

Learn how to draw some lovely spring flowers. Perhaps you have seen these flowers growing in your own garden or in a garden nearby. I wonder if you can name them all?

Here's a song you can join in with too. My favourite bit is the *Boom de-ahh-da* bit! What's yours?
