Now it's your turn!

Starting from 0, count forwards in 5s like this:

0, 5, 10, 15, 20, 25

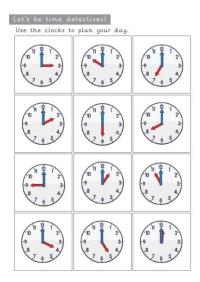

See how far you can get! If you find it easy, try starting from a bigger number like **15** or even **35!**

Starting from 20, count backwards in 5s like this:

20, 15, 10, 5, 0

See how far you can get! If you find it easy, try starting from a bigger number like **30** or even **50**!

Time

Record the time shown on each clock.

What time do you get up? When do you have lunch? When do you go to bed?

Talk with a grown up about other important times in your day.

HWB

Have you noticed any Rainbows in appearing in window? Do you know why people have put rainbows in their windows?

Perhaps you have even made one of your own. If you haven't you might want to make one today.

How many colours are in the rainbow? Can you name them all?

Here is a rainbow challenge for you to try. Good Luck!
