

Story Time

Have a break and watch this story called 'Pigeon Impossible'.

<https://www.literacyshed.com/pigeon-impossible.html>

Discuss with an adult:

What happens when the agent throws a crumb at the pigeon?

- a) The pigeon sings a song
- b) The pigeon tries to get into the briefcase
- c) The pigeon flies into the agent's face
- d) The pigeon steals the rest of the bagel

Why does the agent hold the bagel over a burning car?

- a) He is trying to toast it
- b) He wants the pigeon to fly into the car
- c) He thinks it will help the car stop burning
- d) He wants to lure the pigeon out of the briefcase

Why does the pigeon fly off the briefcase?

- a) He doesn't want to get shot
- b) The agent pushed him
- c) He is following the bagel
- d) He is bored of flying

Writing

Yesterday you drew your picture and labels. Now you can use your labels and key words to have a go at writing a recount about you and your friend or family member playing a sport! If you are finding this tricky, look back at the recount example from Tuesday.

Music

Watch this music clip <https://www.youtube.com/watch?v=QPvNlkBTk00>

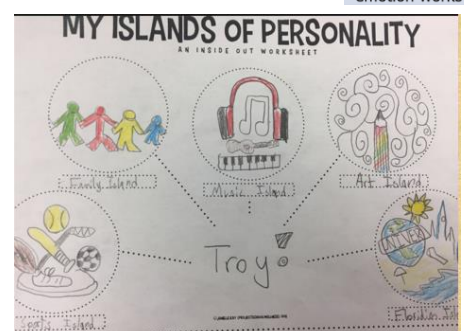

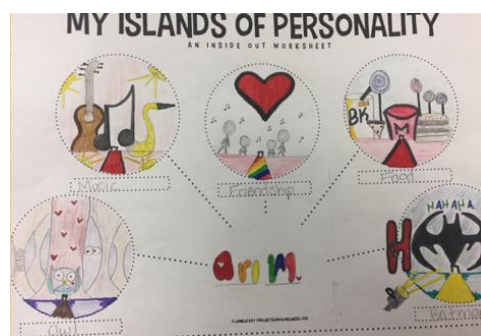

Can you sing and follow the actions? Can you try making up some of your own actions with a family member? Stay 'strong' and have fun!

Emotion Works

Watch this clip from the film Inside Out <https://www.youtube.com/watch?v=3weU3tST3EM>

Can you use the personality islands worksheet attached to think about and draw your 5 personality islands? You might have a family island, an art island or a football island! Have a look at the examples:

Mental Maths Warm Up

Starting from 0, count backwards in 5's like this:

30, 25, 20, 15, 10, 5, 0

See how far you can get! If you find it easy, try starting from a bigger number like **30** or even **50**!

Maths - Weight

In school we began to look at weight. Can you find some objects (no more than 10) in your house and put them in order on the floor or a table from lightest to heaviest? If you have scales you can use them but if you do not have scales hold two items in each hand and decide which one is lighter and heavier.

Lightest object  Heaviest object
