

Literacy

- Sumdog

Remember that the Sumdog Reading Challenge is open today. Lots of you have already made a super start with this. Well done.

- Reading

Here is a fun quiz for you to try.

Maybe the grown-ups would like to join in too! You don't need to write anything down, you can just talk about it with a grown up or an older brother or sister. I wonder how many stories you'll recognise. I'm a bit stuck with number 17 and number 19, but I'll keep trying for a bit longer!

(If you click on the attachment on the blog and scroll down you will find the answers.)

Can you work out the titles of these 20 traditional tales, fairy tales and fables?

Numeracy

- **Sumdog**

Remember that the Sumdog Maths Challenge is open today. I see some great work already. Well done.

- **Puzzles**

Have a go at Puzzle A, B, C and D. Can you work it out?

Reasoning in Addition Puzzle A

$\bullet + \blacksquare = 5$ $\bullet =$

$\bullet + \bullet = 6$ $\blacksquare =$

Reasoning in Addition Puzzle B

$\odot + \blacktriangle = 6$ $\odot =$

$\odot + \blacktriangle + \blacktriangle = 7$ $\blacktriangle =$

Reasoning in Addition Puzzle C

$\blacklozenge + \blackstar = 4$ $\blacklozenge =$

$\blacklozenge + \blackstar + \blackstar = 4$ $\blackstar =$

Reasoning in Addition Puzzle D

$\heptagon + \heptagon = 20$ $\heptagon =$

$\heptagon + \blacksquare = 16$ $\blacksquare =$

REASONING IN ADDITION PUZZLES EARLY NUMBER SENSE
