

Literacy

Let's warm up and get moving this morning. Here is a song to start your day. It's one you know, so join in and have fun!

Choose what you would like to do this morning.

You may have a task from earlier in the week that you didn't have time to do or to complete, or you may be looking for a different kind of challenge to finish off the week. You decide!

- **Sumdog**

Remember that the Sumdog Reading Challenge finishes today. Have you earned any gold coins? As a reward for the fantastic effort you made with the challenge, I will open the Sumdog House early. I will open it at 11 o'clock so you can use your hard earned coins.

Well done everyone!

- **Phonics**

BOGGLE

How many different words can you find?

- **Reading**

Read Along Buddy 4

We all like to read with someone else or share a story with a friend.

Using a sock, glue and other crafting bits, can you create a puppet buddy?

What will you name them?

Are they a character from the book?

Numeracy

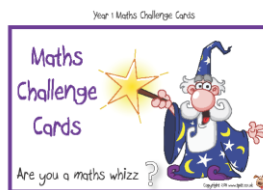

- **Sumdog**

Remember that the Sumdog Maths Challenge finishes today. Have you earned any gold coins? As a reward for the fantastic effort you made with the challenge, I will open the Sumdog House early. I will open it at 11 o'clock so you can use your hard earned coins.

Well done everyone!

- **Estimate**

This challenge requires you to Estimate. Remember, that means looking and then having a clever guess. Ask a grown up to make little groups of items. Look at them carefully and estimate how many are in the group. How close are your estimates?
