

# FLAT TEACHER Adventure

Hey boys and girls,

I miss you all so much and I miss all the fun we used to have together at school. Even though we are apart, we can still learn and explore together. Take me with you on your adventures and be sure to document our time together!

Use the ideas on the grid below, or plan other exciting explorations for us!

Please take good care of me. I would hate to get lost or get chewed on by a pet, or a baby sister for that matter! Please keep me in a safe spot when I need to rest,

Love Miss Clark

All you need to do to start your flat teacher adventure is to print out any of the flat teachers below. If you don't have a printer you could try to draw one of them!

Make sure to glue me on to something strong like cardboard so I don't fall over!
