Three Little Pigs Missing Numbers Counting in 2s to 20

2)

A large yellow path winds through the scene, starting from a thatched hut on the left, passing a wooden hut in the middle, and ending at a brick house on the right. A grey wolf is at the end of the path. The path is marked with numbers in white circles, with some missing. The numbers are: 0, 2, 4, 8, 10, 14, 16, 18, 20. There are 10 empty circles for missing numbers. The path starts at the thatched hut (0), goes up and right (2), then down and right (4), then up and right (8), then down and right (10), then up and right (14), then down and right (16), then up and right (18), and finally down and right to the wolf (20).
