

Thursday 21st May – Miss Clark P2/3

Story Time

Have a break and watch this story called 'Grumpy Monkey'

<https://www.youtube.com/watch?v=wylzbbSL668>

After watching the story open up this document that I have uploaded to the blog called 'THURSDAY GRUMPY MONKEY QUESTIONS'. Have a go at discussing some of the questions with an adult.

Writing

Yesterday you drew your picture and labels. Now you can use your labels and key words to have a go at writing a recount about going to the museum! If you are finding this tricky, look back at the recount example from Tuesday.

Music

Watch this music clip and sing along! You may recognise it from a similar song we learnt in class!

Emotion Works

Emotion Works uses a cog system. Each cog represents something that enables us to talk about and understand our emotions. Last week you looked at the orange 'emotion words' cog and began to think about different emotion words! Now watch this story:

After listening to the story have a go at completing the worksheets below. You can do one or both worksheets! If you can't print them out have a go at drawing the monsters in your Home Learning Jotter.

Mental Maths Warm Up

If this is the answer, what is the sum?

The number below is the answer to a sum. If this number is the answer what could the sum be?

30

For example: $23 + 7$ or $33 - 3$

How many sums can you think of that will give you 30? You can use addition and subtraction!

Maths – Length

Train Carriages

I have attached today's worksheet below. You can print it off or write the answers in your Home Learning Jotter.

Train carriages

• Write how long each train is.

12 metres

metres

metres

metres

metres

- Draw 2 more trains using these parts.
- Write how long they are.
- What is the difference in their lengths?

Can you colour your monster to show how you are feeling right now? Then write down an emotion word to describe your feelings.

Name _____

I feel _____.

Inside each jar draw a colour monster. It might look different from the colour monster in the story! Choose which colour you think best represents each emotion and colour the monsters in! You can pick an emotion word for the last jar. You could also think about the monster's expression inside each jar.

The Colour Monster

Help me to put each coloured emotion in a jar. Which colour will you put in the last jar?

HAPPINESS

FEAR
