Cola Super Fountain

Science Experiment

Method

1. Before you carry out the experiment, you may wish to add a cape and a superhero outfit to the bottle of diet cola.
2. Carry out this experiment outside, with the children at least 3m away from the experiment. It's messy!
3. Remove the lid of the bottle and quickly add the mints. Stand back!
4. The cola will shoot out of the bottle in a fountain.

You will need:

2l bottle diet cola

Mentos mint sweets

A superhero cape and face for the bottle (optional)
