Dear Parents and Carers,

Well this week marks the tenth week we have not all been together physically but I must say the support of the whole school community over this time has taken my breath away! Once again thank you so much for your continued support. We love hearing from you all with your news and updates.

This is lovely! One of our P1 budding engineers P1 has been busy during the lockdown undertaking a transport project and shared his efforts with Edinburgh Trams.

"This week our Managing Director received the sweetest letter and drawings from Ronan Duffin, a five year old from Mid Calder. Check out his new tram designs!"

P7/6 wanted to share the final results from the West Lothian Sundry Contest. They should be very proud of themselves!

Out of 419 classes that entered, they came 24th! That is a brilliant class achievement. Well done!

We also had some super individual efforts. There were 3044 students taking part in the contest and we had five pupils in the top 50! A massive well done to:

Erin - 2nd

Jack - 8th

Nathan - 39th

Millie - 45th

Euan - 49th

In addition, keep an eye out for the "Mid Calder Rocks" The Fairburn family have been very busy and no doubt you may have had a chance to add to this amazing rock collection!

Through discussion with parents from P1 to P3 some of you have requested to have some photocopies of the work posted on the school learning blog. If this is the case please could you e mail the school office by the Monday of each week stating your child`s name and class please. Copies then can be available at lunchtimes from this Monday 01/06/20 12 noon to 1.30 pm
Remember it is still fine for the children to record their work in jotters and spare books are still available to collect at lunchtimes too

Please contact the office e mail if you need to get in touch and we will get back to you as soon as possible. wlmidcalder-ps@westlothian.org.uk
