

Friday games!

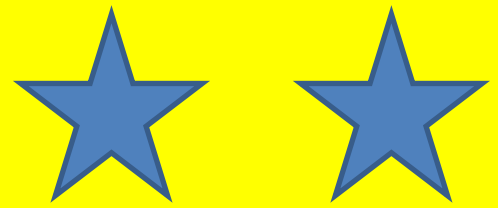

HERE I WILL PUT YOU A
FEW GAMES AS USUAL.
I HOPE ENJOY THEM
AND HAVE A LOVELY
WEEKEND

Friday games!

Washing station

Friday games!

What to do

- Create a washing station for toys in your kitchen sink or using a washing up bowl.
- Encourage your child to clean their dolls and toys.
- It's always nice to help with the cleaning and they'll have lots of fun playing with the bubbles!

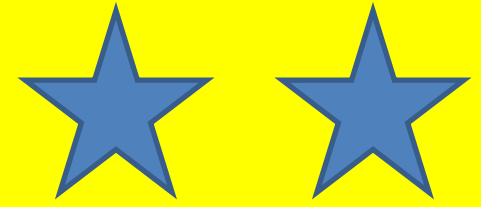

Support from the Play team

"This activity can support children with communication and language development. It can also help them to problem-solve safely, promoting healthy social and emotional development. Role playing together is key, as this encourages their imagination, while teaching them the importance of good hygiene and social skills."

Friday games!

Chilly creations!

Friday games!

What to do

- Get a tray with a deep base and lots of differently shaped containers – plastic bottles, food containers or even rubber gloves.
- Putting the containers in the tray (to avoid getting water everywhere!) fill each one half full of water.
- Add some extra objects – seashells, flowers, beads, glitter – anything you want. If using a rubber glove, tie an elastic band around the opening to avoid leaks.
- Carefully place in the freezer overnight.
- Once frozen, remove and allow to stand for 20 minutes before letting your children play.
