If you are working on Nessy or Studyladder, why don't you complete some tasks today?

Read the story and see if you can find the **ow** words. You can highlight them on the sheet or write them in your jotter.

**The Fox and the Owl**

 <p>In the big, green wood, was an owl and a fox.</p>	 <p>The owl and fox wished to be king. All of the animals gathered together to pick a king.</p>	 <p>"I will be the best king, as I am strong and clever. I am better than the owl. You cannot pick him!" yelled the fox.</p>
 <p>"I can swoop and look and see all the town from up high," went the owl. "Let me be king!"</p>	 <p>The animals had to pick a king. It was hard. A shower of rain fell from up high. With the shower, was a verdict.</p>	 <p>The owl was going to be king, as he did not boast too much. He was given a crown and a gown. The animals all bowed to him.</p>

- Road Safety

Today we will learn about keeping safe when out and about near roads.

Watch this video first and talk with a grown up about the things you see and hear.

Have a look at the powerpoint.

To help us cross the road safely we use a special set of rules called The Green Cross Code. Here are the rules, but they are all mixed up. Can you sort them into the correct order?

**The Green Cross Code**

Cut out the road safety pictures and then stick them in the correct order for crossing the road safely.
