Activity 1 and Activity 2

- Tricky words

This activity allows you to practice spelling some of the Tricky words you have been learning.

<https://www.doorwayonline.org.uk/activities/speller/>

- Enter
- Next
- Choose the blue pencil at the bottom (1200 Common Words).
- Choose 1<sup>st</sup> Hundred and work through each of the sets as appropriate.

# Numeracy

- Sumdog

Today we'll have a look at word problems.

Ask an adult to help you read the story. You need to decide what kind of calculation is needed. Will you  subtract?  

mild

spicy

hot

1. Lucy has 9 marbles, but 3 roll away. How many are left?

2. If there are 7 ladybirds in the garden and 3 fly away, how many are left?

3. Adam has 10 apples. He buys 4 more. How many does he have altogether?

4. A shop has 14 chocolate bars and they sell 6. How many do they have left?

5. If you have 17 slices of pizza and you eat 9 of them, how many do you have left?

6. Hannah has 13 marbles and wins another 6. How many does she have now?

We have already looked at how 'eating a rainbow' can help us stay fit and healthy.

Being **active** can help us stay fit and healthy too.

Being **active** helps our bones and muscles grow strong. It helps to keep us fit and healthy.

There are lots and lots of different ways we can be active. We can play a sport, such as football, do some dancing, go for a walk or go swimming.

We can play games that include running or moving in different ways, such as hopping or skipping.

## How do you like to stay active?

I can be active.

I can run, skip, jump, dance and play.

Colour a dot each time you do an activity.  
Use a different colour each day.

Run						
Skip						
Jump						
Dance						
Play						

Name: \_\_\_\_\_

My activity booklet

I can play games.

Name and draw your favourite four games.
