

# Challenge

## 12. Guess who

One person has to imitate a person and the other players have to guess who it is. They can act out celebrities, characters or people you all know such as teachers or friends. The catch is that they can't say anything that will give it away. This includes any popular catchphrases or descriptions of the person's appearance. They need to use gestures and their voice to try and portray the person as best as they can.
