

Primary 6 Learning Letter: Term 2

January 2021

Welcome back Primary 6! We have loved speaking to all of you online over the last week. It was lovely to get together on our class calls and catch up with your news from the holidays. You have all been working incredibly hard to access and complete your school work. We enjoy seeing the tasks you are uploading and are so proud of how you are engaging in this second stint of home learning. A few things to remember:

- Do your best and work as hard as you can.
- Set yourself sensible targets. We are not expecting you to complete every task, every day, but it would be great if you could always try the core activities we set.
- Be kind - to yourself, your parents, your brothers and sisters and each other. It will make everyone feel a whole lot happier!
- We are always here for you. If you have a question or need help, please just ask. We miss you!

Online learning: Literacy

- Daily spelling tasks
- Round the World Reading challenge
- Weekly reading lesson
- Weekly writing lesson
- Listening and Talking tasks linked to HWB and on class check in calls
- These lessons will be supported by a variety of video or audio links and if appropriate, live calls

Online learning: Maths & Numeracy

- Daily mental maths tasks – focussed on addition, subtraction, multiplying and dividing
- Daily core Maths lesson
- Weekly Sumdog challenge
- These lessons will be supported by a variety of video or audio links and if appropriate live calls

Interdisciplinary Learning

Scots Poems – focus on the success criteria when learning your Scots poem

Personal Project – Famous Scots

Your task is to choose a famous Scottish person who inspires you and create a project all about them in a format of your choice.

Please find project guidelines on our P6 Team.

This project is due on Friday 5th February.

Europe – we will begin to learn about the different countries in Europe.

Online Safety and Rules for TEAMS

- Remember to only share what you feel comfortable with.
- Remember you are 'at school' so when you are commenting on Teams posts, please use correct punctuation and spelling.
- Please also keep comments appropriate for a school forum and be respectful.
- Also, make sure you always reply to your teacher's original posts, rather than starting a new conversation.
- Mrs Murray and Mrs Redmond will be available online on Teams between 8.45am and 3.05pm.
