

PRIMARY 3/2 LEARNING LETTER: TERM 3

WELCOME!

Dear Parents/Carers,

Welcome back to Term 3 in Primary 3/2. I hope you all had a lovely Easter break whilst enjoying some sunshine and family time. It is lovely to all be back in class and continue our learning as normally as we can. It has been lovely to hear lots of holiday stories including all the chocolate eggs that have been eaten over the last few weeks! Here is to a happy and fun final term.

Miss Clark

ENGLISH & LITERACY

Writing: So far in P3/2 we have looked at descriptions, recounts and procedures. This term we will continue to use our PM Writing scheme to look at procedures before moving on to explanations (explaining how or why something occurs). We will continue to have opportunities for 'Free Writing' as this allows the children to explore genres of personal interest such as imaginative stories and diary entries. We will also focus on the 'magic ingredients' of writing by ensuring we use capital letters, full stops, fingers spaces and correct letter formation.

Reading: We will continue to explore fiction texts using Oxford Reading Tree, Snapdragons, Dandelion Launchers and POP's books and begin to look at non-fiction texts and their features.

Spelling and Grammar: We will continue to make progress using our Jolly Phonics Spelling & Grammar Scheme and practise our spelling patterns each week through various games and activities. Grammar will be linked to weekly writing and other literacy activities.

NUMERACY AND MATHS

Numeracy: We will continue to use the SEAL programme (Stages of Early Arithmetical Learning) to make progress with number sense, place value, addition and subtraction and early multiplication and division.

Maths: We will continue to explore 2D and 3D shape before moving on to look at Data Analysis.

IDL – Super humans

This term we will be exploring the 'Senses' to end our Super humans topic before consulting with the boys and girls for our final topic. Watch this space!

PE AND OUTDOOR LEARNING

This term the boys and girls will have 2 hours of P.E. per week with Mrs Davidov. This may be inside or outside so please ensure children have appropriate kits for both options.

For outdoor learning, the boys and girls should come prepared for being in different outdoor spaces such as the field, playground and local woodland.

P.E. with Mrs Davidov: Tuesday and Wednesday
Outdoor learning with Miss Clark: Thursday

ADDITIONAL INFORMATION

Please bring a named water bottle to school each day. We will encourage the children to pace themselves with their water as they will not be able to use the water fountain anymore to refill bottles. As this is our Summer term and the children will probably be drinking more water, we kindly ask that you provide large water bottles or two water bottles to ensure your child has enough water to last the day.
