It's almost that time of year again for our AMAZING and AWESOME P7 Leavers' Fair. We are raising money at the fair to help us to celebrate our last year here at Mid Calder Primary School. We don't want to give too much away, but here are some stalls that your child/children can look forward to enjoying: face painting, beat the goalie, slime stall and MANY MANY MORE!

The fair will take place on <u>Wednesday 25<sup>th</sup> May</u> and all classes will be invited to come along and enjoy the events. To give you a price range, the cheapest stall is <u>10p</u> and the most expensive stall is <u>£1</u>. We can't wait to see your child/children there!

Thank you,

From the P7 House Captains
