A NEW TERM BEGINS

Dear Parents and Carers,

The boys and girls had a great first term and really enjoyed learning about Katie Morag for their topic. Along with learning about Island life they also created their own Islands which they added lots of detail too and a key so places could be identified more clearly. Here is a fabulous photo to show you the work the children have completed,

The children also really enjoyed some Science last term and made their own floating models during a floating and sinking experiment. All children were thrilled to bits when all the models floated in the water tub. This put a big smile on everyone's faces.

This term the children will be learning about their new topic of Egypt. The children will be learning about who the Egyptians were, creating a timeline of Egyptian History and finding out all about Egyptian Gods. Miss Moir and Miss Adam are very excited about this topic- particularly all the fabby art things we have planned to make and do with our classes.

The children have also been learning about the famous Scottish Poet, Robert Burns this term, and have been singing songs and practicing some Scottish dances for their Burns assembly which is on Friday 24th January.

HOMEWORK!!

I have been very impressed with the standard of homework from all the boys and girls of P3m so far. Spelling homework has been handed in on time every week and Reading books are being brought in on the correct days. A little reminder that Reading will be heard on a Tuesday and a Thursday while Spelling and Maths homework will be handed out on a Monday and collected in on a Thursday every week.

P.E for P3M is on a Wednesday and a Thursday.

Dates for your Diary

- Friday 7th February-Wear red to school day.
- Monday 17th -18th February-school Holiday
- Thursday 20th - Master classes
- Tuesday 11th March-Murrayfield 50th Anniversary
- Monday 31st March-school celebration week
