

Primary 2B Class Newsletter

What have we been up to in P2B?

Last term we learnt all about the world around us with Barnaby Bear. We found out a lot about Blackburn and how it has changed over the years and we compared it to contrasting places like Papa Westray in the Orkney Isles. Barnaby has enjoyed his weekend visits and thanks everyone for taking good care of him. He will continue to come home over weekends this term. We have been learning about numbers to 20 and how to use tables to display information. Last term we also found out about different types of writing. We wrote diary entries, letters, instructions and personal stories.

Our Scottish Thistles

For your information:

Homework: Look out for the homework timetable in your child's blue homework jotter. Please continue to allow your child to bring their reading every day.

Thank you for your support with completing your child's homework.

Assembly

P2B and P2R will be presenting a joint assembly on Friday 14th March at 9.15am. Please come along and watch. After our assembly you will be welcome to visit our classroom to see the work we have been doing.

PE: Monday and Thursday

Coming up... This term we are learning about people in the past, events and societies through the topic toys. We hope you will help us find out about toys and how they have changed over the years. We will learn how toys work and develop our technology skills by designing and making our own toys. We will be using our imaginations to help us with writing this term and continuing to improve our number skills with addition and subtraction within 20.
