

Helping your child get ready for S1

- talk with them about what is going to happen
- encourage them to ask questions
- encourage them to talk about any concerns they may have
- listen carefully to their concerns and don't hesitate to share them with their P7 teacher or Head of House
- Support the partnership between pupil, parent and school

Communication

Talk to your child about the changes they are facing and if there is anything they are unsure or worried about.

Interest

Take an interest in what they are learning; logging onto Show My Homework is a good way to do this

Organisation

Help your child to get everything ready the night before, e.g. uniform, school bag, money etc.

Encouragement

Encourage them to take part in after-school clubs and activities. They can help your child learn new things in a fun way
