

# P3T Class Newsletter

## Introducing Primary 3T

Welcome back to school. We hope you have all had a fantastic summer break.

The children have all settled back into school and we have already started revising our skills and beginning to learn about our topic which is the Post Office. Through our topic we will be exploring weight and measure, learning about the role of the post office in our daily lives and the service they provide there. We are looking forward to learning our addresses and sending and receiving some mail.

## Rights Respecting Schools

The children decided to relate our class charter to our topic using postcards to display the rights and letters to display the things the children and adults can do to ensure everyone has their rights respected within our class. Ava drew our post box and Scott, Taryn and Teresa painted it. Makayla and Lennon are our RRS helpers this year and will take part in activities about children's rights within school and keep us informed.

## Homework

Weekly homework will be as follows:

**Monday**- Reading and Maths issued

**Tuesday**- Spelling issued

**Wednesday**- Practice reading from Monday

**Thursday**- Reading and comprehension task issued and all other homework returned

**Friday**- Practice reading for return on Monday

Just a quick reminder that all children should bring their homework bag to school every day to be prepared for reading activities that will take place in class.
