

Primary 2A August 2015

Newsletter

Primary 2A have had a busy start since returning back to school after the summer holidays. We have been deciding on our Rules and Rights for our Class Charter. We have been getting to know each other and creating great displays.

The children have been enjoying numeracy and literacy activities. They have made a new friend with Bonzo our class mascot.

What we will be learning...

Numeracy: This term we will be revising addition and subtraction within 10 and then progress onto numbers to 20. We will also be doing data handling and shape.

Literacy: We will revise our phonics from P1 and progress onto learning new sounds. We will become more confident readers and writers through a variety of activities.

Class topic: This term we will be learning about People Who Help Us. This topic will cross a range of curricular areas.

Homework

Home work will be issued on a Monday and returned on a Thursday. It is expected your child will practise their reading and key words every night. There will also be phonics homework issued on a Tuesday and returned on a Thursday. **Gym days have changed to a Monday for outdoor and a Tuesday for indoor. Please provide an outdoor gym kit.**

Dates for your diary :
