

## *P7/6 Newsletter*

### Welcome to term 3!

In literacy we will continue to use Literacy Circles as a way to develop comprehension of what we are reading. We will also be looking at a variety of grammar areas to improve our writing skills. In numeracy we will be developing our knowledge and understanding of the four key numeracy concepts of addition, subtraction, multiplication and division. We will also be looking at coordinates via our WWII topic. We will be continuing with our Rainforest topic until the February break. We will then be moving onto WWII. The children have been planning what and how they would like to learn about our topic. We will continue with French as our modern language touching on some Spanish too.

All children will continue to get two hours of P.E. per week; one session with Mrs Logan, our P.E. specialist and an outdoor session with Miss Preston (weather permitting). For days that we are unable to get outside we will be using Go Noodle for exercises in the classroom. P.E. kit is classed as part of the school uniform and it is important that children have a full kit in school. Outdoor P.E. kit does not have to stay in school.

### Teaching

We would like to welcome Miss Akram to P7/6. Miss Preston will be in class all day on a Monday, Tuesday, Wednesday and Friday mornings plus a Thursday afternoon. Miss Akram will be in class on a Thursday morning. Both teachers will be working very closely with all planning, teaching and assessment.

### Dates for your diary

P7/6 class assembly	Friday 22 <sup>nd</sup> January
Dress in tartan day	Thursday 28 <sup>th</sup> January
P7 Transition Ceilidh	Thursday 28 <sup>th</sup> January (during school time)
