

# Primary 5/4 Class Newsletter

## Update

Welcome to Primary 5/4's first newsletter of the New Year in what promises to be an exciting and challenging time! We have settled back into our routines and we are all working very hard. We started the year by discussing our New Year Resolutions and came up with both personal and academic targets we want to achieve this year.

Our topic for this term will be "Britain" and we are looking forward to learning about what makes Britain Great! We are also receiving singing instruction from Mr Gregory of the National Youth Choir of Scotland to help us become more confident individuals when using our voices!

Also on the agenda for this term we will be looking at the topic of Water in Science and this promises to be a lot of fun!

Remember, you can access information about the school and keep up to date with the goings-on in Primary 5/4 by checking out our school blog at:
