Monday 15<sup>th</sup> Feb – Holiday

Tuesday 16<sup>th</sup> Feb – Holiday

Friday 4<sup>th</sup> March – P1W class assembly 9.15 am

## What do we have planned?

**Numeracy**- We will still be practising to write to our numbers to 10 round the write way. We will be learning to add by counting 2 sets and then counting them altogether. We will be playing lots of number games to help us understand how numbers go together to make a bigger number. We will be learning number addition stories within 10. We will be learning about 2d shapes and patterns.

**Literacy** - We will continue to learn new sounds. We are now practising to write sentences by listening for the sounds we hear in words.

**We love the 80's!!** - Our new topic is 1980's!!! We are very excited about this, Mrs Wedlock told us that some of our mummies and daddies would have been the same age as we are now in the 1980's. We will be learning about technology, fashion, hairstyles, music, playground games and much more!! Please bring in any items you have from your childhood such as clothes, games, books etc. (These will be returned)

## P1W Homework reminder

Please remember that homework is always due in on **THURSDAYS**. We do reading activities in class on a Thursday and if your child doesn't have their homework bag with them it is tricky to complete these tasks. Please ensure you only complete the pages that have been asked and not the entire booklet. Thank you for your support.

Watch out for our next edition of Newsflash for hot off the press news in P1W!!!
