## Best bits so far:

*'Learning songs together is fun.'* Neive

*'I like writing stories.'* Cara

*'I'm looking forward to finding out about pyramids.'* Liam

*'How long and high are pyramids?'*  
Scott

## LATEST NEWS FROM P3G

A new year has started and everyone in P3 is looking forward to starting our new topic all about Ancient Egypt.

After a busy Christmas break we've already started working on our fab new topic.

In maths, we are learning new strategies to help us when doing addition and subtraction. We have been using number squares and number lines to help us!

In science, we are thinking about materials and what things are made of.

We are looking forward to finding out all about the pyramids. We are also hoping to find out more about mummies and the Egyptian Gods.

As always, keep your eye on the blog where we will keep you updated with the latest news from the classroom.
