

# *P7/6 Class Newsletter*

## **Welcome to term 4!**

In literacy we will continue to use Literacy Circles and will be using Reading Routes as a way to develop reading and comprehension skills, we are also using Thinking Dice to develop our questioning skills. We will be looking at a range of areas of grammar to improve our writing. In math and numeracy we will be covering measure, time, shape and angles. Our interdisciplinary topic is The Human Body. Health & Wellbeing focus for P7 is Keeping Myself Safe and for P6 is Knowing Me, Knowing You and Sex & Emotional Wellbeing. The children will be continuing to develop their knowledge and understanding of both French and Spanish languages.

In PE the children will be developing their basketball skills and team work skills through team games. For days that we are unable to get outside we will be using Go Noodle for exercises in the classroom. P.E. kit is classed as part of the school uniform and it is important that children have a full kit in school. Outdoor P.E. kit does not have to stay in school.

## **Didbook**

I would like to take this opportunity to ask that you encourage your child to use Didbook at home. Being confident in the use of this online resource will be extremely beneficial for all pupils as they move onto the next stage of their education.

## **Transition**

P7 to S1 transition events will be ramping up soon. I will keep you posted via the blog and class dojo message system.

We are introducing a P6 to P7 transition programme this year. This will all be done within class time. I'm sure the children will keep you up to date with what is happening!

## **Dates for your diary**
