

# Primary 2A April 2016

## Newsletter

Welcome to our last newsletter from Primary 2A. I cannot believe we are into our last term already!

We have been very busy since we returned after the Easter Holidays. Read about some of what we are planning to do this term.

### What we will be learning...

**Numeracy:** This term we will be learning and sequencing numbers to 100. We will be improving our tens and units knowledge. We will be learning and counting with money. We will be improving our mental maths strategies using our addition and subtraction skills. We will be learning our 2 times tables and understanding about simple division.

**Literacy:** We will be learning new sounds during Early Intervention. We will be improving our fluency and expression within our reading. We will be practising the reading & spelling of our key words. Writing will focus on using more of our imagination and using interesting adjectives to describe things.

**Class topic:** This term we will be learning all about mini beasts. We will be delving into the world of creepy crawlies and discovering all kinds of interesting facts about them!!

### Homework

Homework will still be issued on a Monday. Please ensure it is returned on a Thursday. It is expected your child will practise their reading and key words every night. Maths and Phonics homework will also be issued.

Gym days are still on a Monday for outdoor and a Thursday for indoor. The weather will hopefully improve this term!  
**Please provide an outdoor gym kit.**

### IMPORTANT DATES :

27/4/16 – Parent Council Meeting  
2/4/16 – 4/4/16 May Day holiday  
5/5/16 – Election Day – school closed  
23/5/16 – May holiday
