Wednesday 29th June

News from the classroom

P3G has just completed their joint assembly with P3T. Everyone enjoyed the opportunity to display their talents in front of the whole school as well as the parents and carers who could make it on the day.

Our new topic is going to be about Transport. So, we will be looking at different methods of transport and the history of some of those vehicles.

We are also looking at plants in our science and will be planting some seeds to find out about the best conditions for growing. Literacy work will include writing our own news article. Numeracy will see us working on time, fractions and multiplication and our Health and Wellbeing topic sees us looking at what we feel and what we need.
