

P1S Class Newsletter

Final Term

We are now into the final term... how time is flying. The class have come on so much from that first day in primary 1.

Like a puppet on a string...

Last term we learned all about the 1980s and we thoroughly enjoyed it.

This term we will be learning all about puppets. We will be exploring what puppets are and how they are made.

We might even make our own puppets.

There may even be setting a special homework task.

Literacy...

We have been learning the sh and ch sounds.

We will be going on to learn 'igh', 'oi' and 'ou'.

In writing we have been learning how to use capital letters at the start of a sentence and full stops at the end, we try to listen for all the sounds in the words we are writing and we have been using WOW (describing) words. We are going to continue working on this this term.

Numeracy...

We have been working on number stories to 10. Keep practising your number stories and finger patterns. Can you see dot patterns anywhere when you are out?

This term we will be exploring subtraction and linking it to what we already know about addition. We will also be working on time and money.

Keep checking the Blog for weekly updates from P1S
