## KFC shuts more stores due to chicken shortage

Everyone who's been keeping track of the KFC situation will know that the fast food chain has been in a spot of bother with its chicken supply lately. The sudden chicken shortage is due to issues with KFC's couriers DHL, to whom they switched their chicken delivery contract last week.
It now looks like the problem is getting worse as 575 out of KFC's 900 outlets in the UK and the Republic of Ireland are now closed to a lack of chicken, according to KFC's official website.

What percentage of KFC restaurants in the UK and Ireland are currently closed? Give your answer to 1 decimal place.

## SORAY WE'RE

## CLOSED

We deliver our chicken fresh into our restaurants, but we've had a few hiccups with the delivery today.

We wouldn't want to oper without offering our full menu, but we'll be back at the fryers
as soon as we can!
