Our Motto; Make it happen!*

KM/LC

20 March 2020

Dear Parent/Carer

As we enter a period of school closures, the following arrangements are in place to ensure that your child's learning can continue throughout this time.

The key source of learning will be using online platforms (virtual learning environment) however alternative arrangements will be made by individual schools for pupils for whom online learning is not suitable.

For children attending the nursery, suggested learning experiences that can be completed within the home will be provided on the school/nursery blog

<https://ogilvie.yourlearningjournals.co.uk/Login.aspx>

<https://blogs.glowscotland.org.uk/wl/ogilvieschoolcampuslivingston/>

For children in P1-S1, teachers will provide a set of appropriate learning experiences that can be completed at home. These will be shared through learning journals (link as above) in the first instance and school blog (link as above) and which you can also be accessed via our school website wlogilvieschool.westlothian.org.uk .

Your child has been provided with a pack of work to record their learning and there will be an opportunity for them to share this when they return to school.

It is expected that your child engages with the learning experiences being provided by their teacher daily.

Parents / Carers who have any questions or require further information should use the following contact details.

wlogilvieschoolcampus@westlothian.org.uk

Our school team will continue to provide all available support to your child and family where we can during this challenging period.

Yours sincerely

Kristyna Macsween
Headteacher
