

LEGO® & K'NEX® Clubs

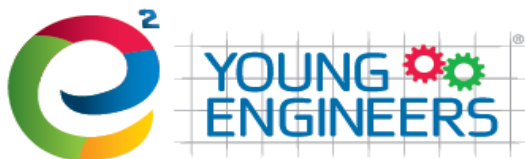

Introduce children to Science, Technology, Engineering & Maths (STEM) and prepare them for a life in the technology driven 21st century in our educational, fun and exciting classes.

- Classes for 4 to 11 year olds
- Build moving models to learn how machines work.
- Encourage independence and creativity
- Develop problem solving & critical thinking
- Have fun, make friends, play all while learning

Classes available across Edinburgh & West Lothian

- Mondays: Broxburn
- Tuesdays: Linlithgow
- Wednesdays: Mid Calder
- Thursdays: Stockbridge
- Fridays: Juniper Green
- Saturdays: Cramond & Colinton
- Sundays: Bathgate
