This is a new book which the children have not been able to prepare for by practising any of the words, so please be sure to take it slowly and let the children experiment with new, tricky words they have never seen before. They have also never seen these characters before so it may take time for them to be able to recognise who everyone is. Encourage your child to sound out words wherever possible, e.g. 'got' and 'wet'. Please remember discuss the plot with your child and ask questions so that they understand what is happening in the story. There are comprehension activities above the book which your child can also have a go at.
