

Easter Holiday Activities and Ideas: 2

Monday	Tuesday	Wednesday	Thursday	Friday
<p style="text-align: center;">Bottle Music</p>  <p>Materials:</p> <ul style="list-style-type: none"> • Plastic Bottles • Glass Bottles • Water • Spoon <p>Instructions</p> <p>Set out a variety of bottles, both glass and plastic. Help your child tap the sides of the bottles with spoons and encourage them to listen to the sound each one makes.</p>	<p>Next, show your children how to make music by blowing across the top of the bottles.</p> <p>Then, put different amounts of water into each bottle to create different tones.</p> <p>Explain how the water changes the sounds that the bottles make when they tap them with the spoon and when they blow over the top of them.</p> 	<p style="text-align: center;">Hide The Toy</p>  <p>Use a toy that's not too big and place it somewhere visible but not too obvious and let the child look around the room to see if they can spot it.</p> <p>Take turns about. As your child becomes confident, make it a little more difficult to find.</p>	<p style="text-align: center;">Music Making</p>  <p>Children love music, especially when they get to make it.</p> <p>Make your own instruments from items found around the home - yoghurt pots, pots and pans, rice, lentils etc. Lead a marching band around the house.</p>	<p style="text-align: center;">Socks In A Box</p>  <p>Throw balls of socks into a box or a bucket.</p> <p>As your child gets better at getting the socks into the container move it further away to make it more difficult.</p> <p>You could award points for each pair of socks that goes in!</p>
