

# 3D Shapes School Walk

With your teacher and class, go for a walk around your school and look for objects that are 3D shapes. Record your findings in the table below. You can draw pictures or write names of the objects you find. Share your findings with a partner in the classroom.

Shapes to find: cube, cuboid, cone, cylinder, sphere.

<b>Cube</b> 	<b>Cuboid</b> 	<b>Cone</b> 	<b>Cylinder</b> 	<b>Sphere</b> 	<b>Object</b>
