

Traditional fairy tales

Unit 6

▶ Exploring characters and events in traditional stories

Teach

Prince Cinders

Prince Cinders was not much of a prince.

He had three brothers.

They went out a lot.

Prince Cinders had to stay at home.

He wished he was like his brothers.

Then a fairy turned up...

- Is Prince Cinders good-looking?
- How many brothers does Prince Cinders have?
- Where did Prince Cinders' brothers go?
- What fell down the chimney?

What is Prince Cinders like?

- What does he look like?
- Is he happy?
- What would he like to do?

- Which fairy tale is this story like?
- Why do you think this?
